WINNING LIST OF PRIZES AND HONORS ISSUED

Dean Fitch Reveals Names of Winners In Chapel

SPEAKERS CHOSEN

Kuczycke and Meagher Are Made Valedictorian, Salutatorian

Announcing the departmental honors and the prizes for the year and the appointment of Ralph Joseph Kuczycke and Jefferson Frederick Meagher, both '31, to the position of valedictorian and salutatorian, respectively, Dean Edward Fitch concluded the college year in the final Chapel on Wednesday morning. Additional honors confirmed by the faculty have been announced since and posted in the Library.

The announcements made on Wednesday were decided upon at a meeting of the faculty on Tuesday afternoon and the additions were made following a meeting of the same body on Friday.

The two men who have been chosen to give the Commencement addresses, Ralph Kuczycke and Jefferson Meagher, are both men who have maintained a scholarship average of over honor throughout their four years in college and were both made members of Phi Beta Kappa at the conclusion of their junior year. Kuczycke has also been prominent in athletics and has gained a varsity "H" in basketball. He is a member of several clubs and president of the German club for the past year.

Meagher was Editor-in-Chief of **Life**, president of the Political Science club and of Pi Delta Epsilon, and a member of Pentagon and of Delta Rho.

In addition to these two men and Willis T. Rayton and Montgomery C. Smith, who were elected to Phi Beta Kappa at the end of their junior year, three other members of the senior class have been chosen for this honor. Wilmer Edgar Bresee, Francis Jerome Crowley, and Robert Wood-

(Continued on Page Four)

WAS LOS TAPS NEW MEMBERS

Kingsley, Fay, Sellers, Heyl, Ollikainen, Bellatty Are Chosen

As a result of the annual spring tapping, Was Los, junior honorary society, selected George C. Kingsley, Robert L. Fay, James T. Heyl, Paulding F .Sellers, Everett N. Ollikanien, and Frank D. Bellaty to serve as members of the active chapter next year.

The first man selected was Kingsley, president of the class of 1933, who has been awarded letters in football and track during the past year. He is a member of Quadrangle, D. T., and the Psi Upsilon fraternity. Fay, second man chosen, also a member of Quadrangle, D. T., and of Psi Upsilon, is a member of the College Choir and of the Charlatans.

Heyl was the third man tapped. He is a member of the choir and of the College Quartette. He is a letterman in hockey and football, is affiliated with Alpha Delta Phi, and is also a member of Quadrangle and D. T.

2tas,econdT, rdlup up up tohrdhh

Sellers, who was chosen as fourth man, is also a letterman in hockey and football and is a member of the Chi Psi fraternity.

Ollikainen, fifth member tapped, is a letterman in baseball alnd football and was also a member of the basketball squad. He is a member of the Emerson Literary Society.

Bellatty, a member of Chi Psi, was the last man chosen. A member of Quadrangle and of D. T., Bellatty is a letterman in track and football.

START PLAY FOR McGREGOR CUP

Annual Golf Competition Is Begun By Numerous Hill Graduates

Play in competition for the McGregor Alumni Golf Plaque began yesterday when numerous Hill graduates started out on the first round. More are expected to enter competition before the conclusion of the Commencement Exercises. The trophy is offered by Dr. Robert G. McGregor, Jr., '97, of New Rochelle, N. Y., in an effort to enliven the week-end for returning graduates.

Dr. McGregor is pastor of the North Avenue Presbyterian Church, in New Rochelle, where the Choir gave its first recital on its Easter trip. After the concert, Dr. and Mrs. McGregor had a reception for Mr. Fancher and choir members. Two sons of the McGregors have attended Hamilton, Robert G., Jr., '27, and Rumsey M., '30. All are members of Alpha Delta Phi.

Plaque Is In Library

According to members of the golf committee, composed of Sherrill Sherman, '04, Wallace B. Johnson, '15, and Albert I. Prettyman, individual winners of the tournament will be picked in two divisions on the basis of handicap low net and low gross scores. Classes will also compete against one another, and the year of the winning team will be placed on the plaque along with the winners of the two individual events.

Class teams should consist of four players, but as few as two, and as many as 10 may compete, and the low scores without handicap, of all the members of the team will be averaged as the score of the class. Players should use their club handicaps, but those who do not have any should consult members of the committee.

Alumni have been asked to sign up for the tournament in the vestibule of the Library. There the McGregor Plaque may also be seen.

William Cullen Stevens, '29, was awarded first prize in the annual prize debate held recently at Albany Law School. Mr. Stevens was the first freshman ever to receive appointment to this annual prize speaking contest . Stevens is also a member of the debate team and president of his class.

HILL TO HEAR TWO FOREIGN DEBATE TEAMS

Dutch, English Groups To Appear Here Next Year

TO MEET CORNELL

Takes Place of Bates In Only Other Change On Schedule

The 1931-32 Hamilton forensic schedule, which has been announced by the new captain and manager of debate, John J. Walsh, '32, is the best in recent years as nine opponents have been listed. The card includes two international debates, a Dutch university and an English university team appearing on the Hill. The only other change is that Bates, the only college to be dropped from the schedule, is replaced by Cornell.

Next year five of the seven contests already scheduled will be held on the Hill in contrast to the three that were held here during the past year. Arrangements are being made for debates with Wells College and Colgate University, against whom the Buff and Blue debated last year.

Two International Debates

Two international debates are to be held next year instead of the customary one. Opening the season, the English University's team will be on the Hill late in October. In mid-December there will be a debate with the Dutch Universities team. This is the first in recent years with a country whose native language is not English.

The debate with Union will be held soon after the winter recess on the campus. In February, Hamilton debaters will journey to Easton, Pennsylvania, to oppose Lafayette, one of the two teams to beat the Buff and Blue this year. The Albany State Teachers' College will oppose Hamilton in the college Chapel in February . In March a St Lawrence team will come to Clinton, while Hamilton will debate with Cornell at Ithaca. Cornell is a new opponent on the schedule.

Walsh Named Captain

Captain Jefferson F. Meagher, '31, and Manager Willis M. Rayton, '31, will be lost to Hamilton through graduation. John Haydn Jones, Latimer B. Senior and Robert L. Wilson, members of the debating squad and of Delta Sigma Rho, are also seniors.

John J. Walsh, '32, has been named captain and manager for the year 1931-1932. The other men on this year's squad who are not graduating are: Samuel J. Holt, '32; John W. Howard, '32; Jack W. Hummer, '32; Roy L. Smith, '32; Arthur H. Stein, '32; Leo A. Zuckerman, '32; Arthur E. Chambers, '33; Irving Gellman, '33; Joseph K. Strawbridge, '33; R. Kerford Wilson, '33.

Reorganized Press Board Completes First Year Under Direction of Professor Smith

With the releasing of news about the 119th Commencement exercises, the Hamilton College Press Board completed its first full year under the direction of Professor F. Winfield Smith, faculty director . The Board, at the start of this year, consisted of Howard C. Hosmer, '33, and Irving Gellman, '33. Louis G. Katz, '34, was chosen to take the place of Edward Gross, '32, who resigned in the Fall.

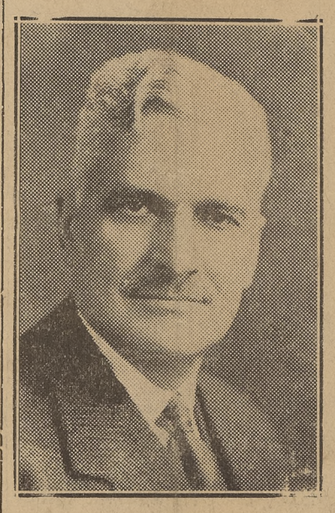
Prior to June 1, according to Professor Smith, the Press Board sent out 1,716 copies of 42 general unsolicited news releases, 148 orders for telegraphic reports, and 557 personal items. Unsolicited releases are those sent out gratis, at regular intervals. All ordered stories are paid for.

With the opening of the College last September, the Press Board started its season's work by sending out news stories on the various athletic events on the Hill, as well as personals on members of the football, soccer and cross-country squads, on all members of the freshman class, new faculty members, and on those students who received honor averages during the previous year. The personals were sent to the home-town newspapers.

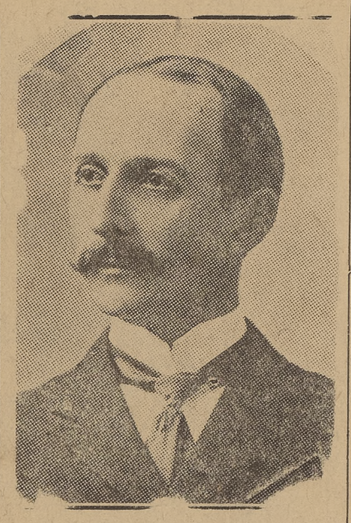
All home contests in every branch of athletics were covered by the Board, and telegraphic reports sent out immediately after the contest from the Press Board rooms in Silliman Hall. During the Fall season, 80 advance stories were sent out on the Hamilton-Haverford football game, and an even greater number on the Union encounter.

During the past year the Board included pictures with its stories about the new Chemistry Building, the workshop, the Browsing Room, and the Choir.

Feature Commencement Program



FREDERICK C. FERRY



CLINTON SCOLLARD, '81

119th Commencement Exercises in Full Swing Today; President Ferry to Give Annual Baccalaureate Sermon Tomorrow

With the completion of a part of the commencement exercises, including the Half-Century Annalist address by Clinton Scollard, '81, author and poet, the seniors are looking forward to the graduating exercises on Monday and to the baccalaureate exercises tomorrow at which time President Ferry will deliver the Baccalaureate sermon to the class of 1931.

Contrary to the usual custom, the class day exercises will be held on Friday morning instead of Sunday morning, and will include the ivy planting ceremonies.

The first of the matches in the McGregor Alumni gold tournament have already been played. The class teams and individual players are competing for the cup which has been donated by Dr. Robert G. McGregor, '97, and for the class plaque.

Hold Senior Ball

At 2 p. m. on Friday the members of the Board of Trustees gathered in Buttrick Hall to approve the list of graduates and to confirm the committee's choice of honorary winners of degrees. After this meeting the annual McKinney Prize Declamation contest took place in the College Chapel. Members of the three lower classes who spoke were Hallock Cowles Campbell, Donald Munro Cunningham, Jerome Bonepart Fisher, Jr., and Benjamin Johnson Stone of the class of '32; Robert Leo Fay, Theodore Carlton Massoth, Richard Joseph Redmond, and Harold Wilson Symonds, Jr., of the class of '33; and Coleman Burke, George C. Fisher, Louis G. Katz, and Gardener Smith, all '34.

Preceding the annual senior ball in the Hall of Commons last night, the Charlatans, Hill dramatic organization, presented "Journey's End," by R. C. Sheriff. The play is a war drama and last night's performance marks the third time the Charlatans have produced it on the Hill.

At 10:30 this morning the an-

President Has Reception

nual meeting of the Society of Alumni was held under the direction of Vice-President Robert B. Marvin, substituting for the late President Theodore L. Cross, '81. Elections of next year's officers were held, and President Ferry gave a short address. Following the elections Clinton Scollard, '81, gave his report as half-century annalist.

Immediately afterwards the classes assembled in the Hall of Commons to hold their reunions. Following lunch they adjourned to the library where President and Mrs. Ferry held their customary reception. Members of the faculty and officers of the various classes officiated.

Fraternities Have Reunions

Tonight the competitors in the Clark Prize Exhibition will speak in the Chapel at 7:30. The appointees and their subjects are Francis Jerome Crowley, "Andrew Johnson;" John Haydn Jones, "Gandhi, the Salt Maker;" Jefferson Frederick Meagher, "Andrew Johnson;" Andrus Bassett Smith, "The United States of Europe;" Montgomery Cayley Smith, Jr., "A Square Deal for the Railroads;" and Charles Searle Symonds, "Walt Whitman."

The various societies and fraternities will have their own reunions immediately after the Clark Prize contest.

Sunday morning the exercises will begin with the Baccalaureate service at which Dr. Ferry will preside. The class day exercises which the faculty has postponed from Friday morning will follow the Chapel service and will include the annual planting of the ivy. At 5 o'clock the choir will give its last performance of the year in the Chapel with a program of numbers specially selected for the occasion.

DEBATE GROUP TAKES SIX MEN

Delta Sigma Rho Inducts Three Seniors, Three Juniors

The list of initiations conducted by Hill honorary societies was concluded by the induction of six men into Delta Sigma Rho, national honorary forensic fraternity, at the Delta Kappa Epsilon House on Sunday, June 7. The men inducted were: Henry B. Hobart, '31, Albert C. Redmond, '31, Latimer B. Senior, '31, Samuel J. Holt, '32, John W. Howard, '32, and John J. Walsh, '32.

Election of officers was held after the induction, and John Walsh was elected as the new president. Holt was chosen vice-president; Howard, secretary - treasurer, and Walsh captain-manager of debate.

Walsh Will Go to Northwestern

John J. Walsh was chosen to represent the Hill chapter at the General Council meeting of Delta Sigma Rho to be held at Northwestern University, Evanston, Illinois, on June 22 and 23. This council meets once in every five years. There are 62 chapters of Delta Sigma Rho, and Hamilton is the smallest college which has a chapter.

Walsh is president of the Political Science Club, History Club, and the Charlatans. He is secretary-treasurer of the Class of 1932, and is a member of the Emerson Literary Society.

All the men inducted have been on the debating team for two years, a requirement for membership in the fraternity.

COLLEGE TRUSTEES POSTPONE DEFINITE ACTION ON PROPOSED PLANS FOR NEW GYMNASIUM

Hon. Elihu Root Presides At Third Meeting of Year; Librarian's and Treasurer's Reports Heard

While definite action on the proposed plans for a new gymnasium was delayed until a future meeting, the Board of Trustees, in its third and last meeting of the year yesterday afternoon, heard a report of progress on the plans. Especially interesting in the business of the afternoon was a report of the librarian, Joseph D. Ibbotson, which includes an account of the numbers of additions to the Library during the course of the year, and the proposed inter-collegiate library league in which Hamilton will take a leading part.

Hon. Elihu Root, '64, who is staying at his summer home on the Hill, presided at the meeting. Rev. Robert G. McGregor, '97, offered the prayer. The meeting was well attended, those present being as follows: Hon. Elihu Root, Charles B. Rogers, Benjamin W. Arnold, Samuel F. Engs, Rev. Robert G. McGregor, Reuben Leslie Maynard, Joseph Rudd, Daniel Burke, President F. C. Ferry, Charles A. Miller, John L. Strickland, Neile F. Towner, Rev. Anthony H. Evans, Dr. Stewart B. Blakely, Dr. Myron E. Carmer, Louis J. Ehret, and Floyd M. Wills.

Receive Library Report

The list of graduates of the class of 1931 was heard and approved, as was a list of 242 applicants for membership in the class of 1935. The election of Albert Carroll Redmond, '31, as Root Fellow in Science, was approved.

Prof. Ibbotson's report on the Library and its activities during the past year was varied. The Library has been augmented by 3,965 volumes through purchase and 1,303 through gifts. The browsing room has been the recipient of 1,138 volumes, making the total addition to the Library for the year 6,406 volumes. Ninety-three volumes were reported to have been withdrawn, worn out, or lost. The Library at present contains 142,209 volumes and 31,000 pamplets.

Noteworthy gifts to the Library during the past year include the

(Continued on Page Two)

CHOIR TO GIVE FINAL CONCERT

Will Make Last Appearance Of Year At Recital Tomorrow

With a program including the numbers which featured the New York trip and the House Party concert and three additional numbers by Bach, the choir will present its final concert of the year in the Chapel tomorrow afternoon at 5 o'clock. The concert will mark the conclusion of events for Sunday.

The first number will be the ever-popular "Zion, hort die Wachter singen" of Buxtehude, which will be followed by Palestrina's "Adoramus Te, Christe." Only one Ave Maria will be featured on the program, that of Arcadelt having been chosen. Another German number, "Lob Gottes" by von Othegraven, will end this group of numbers.

Three Numbers By Bach

A Russian number by Archangelsky will be the first of the second group. It will be followed by an old Dutch carol of a light and festive nature. The next three numbers will be the group of negro spirituals which have proven so popular during the past year.

The last group of selections will be the three numbers by Bach. The first is an English adaptation of one of Bach's tunes, "Now Let Every Tongue Adore Thee." The other two are taken directly from the Mass in B Minor. The first is the Agnus Dei solo and the other is the forceful and majestic "Cum Sanctu Spiritu." The entire program is as follows:

PART I

Zion, hort die Wachter Singen ..... Buxtehude
Adoramus Te, Christe ..... Palestrina
Ave Maria ..... Arcadelt
Lob Gottes ..... von Othegraven

PART II

O Gladsome Light ..... Archangelsky
Festival Carol ..... Old Dutch Tune
Swing Low, Sweet Chariot ..... Negro Spiritual
Steal Away ..... Negro Spiritual
Walk in Jerusalem ..... Negro Spiritual

PART III

Now Let Every Tongue Adore Thee ..... Bach
Agnus Dei, from the B Minor Mass ..... Bach
Cum Sancto Spiritu, from the B Minor Mass ..... Bach

NAME NEW MEN TO HONOR COURT

Harvey, Heyl and Burke Are Chosen; Ready Is New Chairman

Among the announcements made at the Undergraduate Association meeting in Chapel on Thursday, June 4, was one by Francis J. Crowley, '31, chairman of the Honor Court, who submitted the names of the newly chosen members. Roger A. Harvey and James T. Heyl are the sophomores chosen to serve, while Coleman Burke is the member of the freshman class elected. The Honor Court now consists of John O. Ready, '32; William A. Woodcock, '32; Roger A. Harvey, '33; James T. Heyl, '33, and Coleman Burke, '34. Ready is chairman of the Court.

Ready and Woodcock moved up to senior positions; Heyl and Harvey were elected, and Burke succeeds George N. Ruland, '33. Philip B. Scott was the freshman member who succeeded William R. Conklin in February.

Ready is a letterman in baseball and a former member of the hockey and football squads. He is a member of Was Los, and of the Lambda Chi Alpha fraternity.

Woodcock, a member of Psi Upsilon, is manager of hockey, and Harvey, Delta Upsilon, is the newly elected assistant manager of football.

Both Heyl, Alpha Delta Phi, and Burke, Chi Psi, are in the Choir. Heyl is also a member of the hockey team and a member of Was Los, D. T., and Quadrangle. Burke is a member of the freshman basketball team, D. T., and Quadrangle.

Plan Meeting of College Librarians Here Soon To Discuss Final Plans for League

Early next month seven librarians of college and university libraries of Central and Western New York State will meet here to discuss final plans for the formation of the league which will cooperate in the exchange of important books. Mr. Joseph D. Ibbotson, Hamilton College librarian, originator of the plan to enable colleges to make use of other libraries, succeeded this year in bringing together the representatives from Cornell, Rochester, Syracuse, Buffalo, Hobart and Colgate.

The purpose of the proposed library league is to fill in the gaps in the holdings of the libraries in the group, in order that in this region there eventually will be all the materials for research which any members of the faculty or student body may need for their scholarly activities.

Mr. Ibbotson has been endeavoring to form such a league for 10 years, and only last Fall was successful in bringing together the librarians from these institutions for the first time.

Under this plan, books and periodicals will not only be loaned from one library to another on request, but the current numbers of certain selected periodicals will be regularly sent from one library to any of the others which expresses a desire to use them.

At the last meeting, held at Ithaca, it was decided that the Hamilton and Cornell libraries are to divide between them the entire field of philology—Classical, Romanic, Germanic and English. Cornell, Rochester and Syracuse are to take care of the field of Chemistry, while Hamilton, Buffalo and Cornell are to cover the department of archaeology.

PRAISE BE TO HIM!

Walter H. Pritchard, captain-elect of the Hamilton track and basketball teams, has established an enviable record during his two years of competition in intercollegiate athletics on the Hill. His brilliance on the track in particular has been of such outstanding excellence that Was Los had no difficulty in obtaining the College's unanimous approval of the project to send him to the National Intercollegiate Athletic Association meet in Chicago last week. And "Walt" more than justified the confidence of the College by his brilliant performance on that occasion.

Pritchard's feat demands far more commendation than many suppose. The meet was his first against a field of runners of truly high calibre. He was facing well over a score of competitors recruited from among the best distance men in the country. Half of these were men who had proved their ability to run the mile in faster time than Pritchard had ever done previously. Yet "Walt", with a remarkable display of endurance, defeated all but four of the runners in the field, placing ahead of the defending national champion in the event and finishing less than one and one-half seconds behind the winner.

To this man, not only for this performance but for the courage it took to face, as the lone representative of a small college, a field of nationally known runners, the College owes its praise.

WHERE CREDIT IS DUE

Within the past few years the Hamilton College track team has become one of the most successful squads on the Hill. While it is true that the College has been fortunate in numbering among its undergraduates several men of exceptional ability in track and field athletics, individual performances have been far ahead from the only factors contributing to the success of the teams. There has been ever present the influence and guildance of a capable hand, drawing the best from men with previous experience on the track, developing the innate ability of many who have scored their first victories here on the Hill, and above all keeping the entire squad in a condition to perform on the track without creating the spectacle of poorly trained men running themselves to the point of exhaustion. Much of the credit, for the performances of recent Buff and Blue track teams belongs to this man—Coach Arthur R. Winters.

BOSTON PAPER PRAISES FERRY

"Traveler" Lauds Hamilton President for Stand On Education

"Success is the goal of chief appeal in the busy life of today," said President Frederick C. Ferry, speaking before the Alumni Association in Boston recently. Dr. Ferry recommended contentment, intelligence and culture as a more preferable goal, and the Boston "Transcript," in an editorial, praises his stand:

"Much of the medieval persists in education. No doubt some of it is valuable. Much of modernistic fancies has been absorbed. No doubt some of it is good. But the essence of learning is marred by excrescences medieval and modern which are there simply because many educators dare not decide courageously what to abandon, so, to play safe, they keep practically all of them.

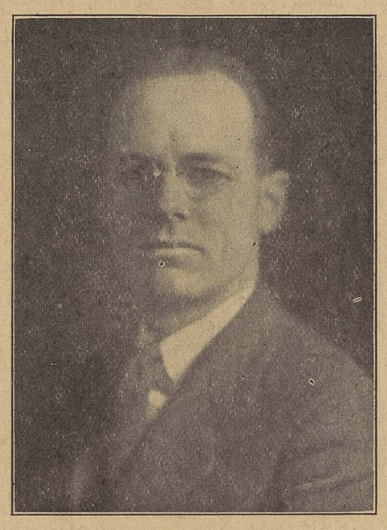
"Yet, now and then there stands up a man or woman who brilliantly points the way and emphasizes the essential purpose. Such a man is President Frederick C. Ferry of Hamilton College, who makes the goal contentment, intelligence and culture.

"We find ourselves encouraged by the man's words. Education stresses facts and skills . It does teach men and women the professions. Yet our whole training structure seems at times to be built on the business of teaching persons how to make a living rather than how to live . The former is important, and at best is but a means toward the latter."

Dr. Ferry, in his address, indicated that training for business was not the paramount aim of education. "If it could be established," he said, "that the graduates of any particular college are in a marked degree through the years more successful than those of any other college, that institution would gain the popular vote for best fulfilling our educational needs, yet it is a fair question whether the education which aims directly at leadership may not have turned aside from its proper and more intelligent course."

Dr. Ferry declared that the aim of education is to "effectively teach the wise, useful, and intelligent use of the free hours" which modern science has put at our command.

Thomas Brown Rudd, ex-'21, Is Candidate For District Attorney In Republican Primaries



THOMAS BROWN RUDD, Ex-'21

Thomas Brown Rudd, '21, of Clinton, brother of Professor Robert B. Rudd and member of the law firm of Rudd, Griffin, and Penberthy, has formally announced himself as a candidate for district attorney in the Republican primaries, in a letter sent to the chairman of the executive committee of the Oneida County Committee.

The executive committee declared itself in favor of Mr. Rudd as against Charles L. DeAngelis, who is seeking the office for the fourth term. Subsequently John McGinty resigned as first assistant under Mr. DeAngelis saying he favored Mr. Rudd. Setting forth his own position, Mr. Rudd said in his letter to the chairman of the executive committee:

States Position

"A particular and distinct phase of government is the enforcement of the laws of the land, and obviously upon the district attorney of each county must fall much of this duty of proper enforcement.

"The office of district attorney belongs to the public and not to its occupant. A district attorney must be aggressive, alert, and eager to discharge the duties imposed upon him by law. He must at all times be an energetic prosecutor and at no time a persecutor. There should be no selfish motive in mind in considering this office. It is an office of public trust. That is no doubt the reason why Oneida County district attornies have recognized the desirability of bringing new blood, new enthusiasm to the office after two terms of service."

Mr. Rudd served from May, 1929 until January 1 of this year as assistant United States attorney, a large part of his work being devoted to the handling of government condenmnation proceedings. He is the son of Mr. and Mrs. Joseph Rudd of Clinton. After attending Hamilton he went to Cornell University, where he completed his law studies. Upon leaving college he was in the law firm of Root, Clark, Bucker, and Howland, New York. Returning to Utica to practice his profession, he joined the firm of Rudd, Lee, and Judson and later formed the firm of Rudd and Griffin with offices in Clinton and Utica, of which Francisco Penberthy became a member .

MEAGHER WINS PRIZE DEBATE

Bresee Is Awarded Second Place In Contest For Hill Seniors

At the Sixty-third McKinney Prize Debate held in the College Chapel Wednesday evening, May 27. Jefferson F. Meagher, the last speaker supporting the communistic side of the discussion on "Communism vs. Capitalism", was awarded first prize and Wilmer Bresee, second speaker on Communism, received second place. Prizes of $50 and of $25 respectively were awarded to these two seniors. Professor Calvin L. Lewis presided at the contest.

The other members of the senior class who participated in the debate were Albert Redmond, who served on the communistic side, and Paul Friedlander, James Hutchinson, and Willis Rayton who argued for capitalism. The contest was judged by five Hill alumni: S. Sheldon Judson, '08, of Utica, Earl P. Witkin, '12, of Ilion, Arthur S. Pohl, '14, of Vernon, Barton D. Miller, '19, of Utica and John P. Gualtieri, '25, of Rome.

Redmond, the first speaker on the communistic stand, brought forth arguments to show how deplorable the effects of capitalism were on the individual. Friedlander, the first speaker for capitalism, refuted Redmond's points by enumerating the benefits which capitalism had brought to the individual of today.

Bresee who spoke next for the communists, pointed out the many detrimental effects which industry had suffered because of capitalism. He continued by showing how these effects would never have come about under a communistic regime. Rayton, supporting the other side showed that capitalism, instead of having a detrimental effect on our modern day industry, has a very beneficial effect.

Meagher, as the last speaker for communism, deplored the effect of the exploitation of the natural resources. He especially objected to the careless use of coal, iron, and wood resources, and showed how such exploitation could bring about war. Hutchinson the last speaker, refuted Meagher's speech. He brought out the fact that capitalism did not effect such a dark picture as the communists would like to paint. He showed that the exploitation of natural resources was being carried on in a very careful and economical manner.

The debate was conducted under certain specific rules. Each speaker gave an advance speech of ten minutes and a rebuttal speech of five minutes. The contestants were prohibited from using notes of any kind in their advance speeches and in their rebuttals were allowed to use only the notes which they had made during the debate itself.

NEW OFFICERS ARE ELECTED

Various Hill Groups Have Chosen Leaders For Next Year

With the close of the college year at hand Hamilton's various clubs have held final business meetings and have elected officers for next year. With the exception of the Boilogy and German Clubs, which select their officers at the first meetings of the year, all Hill organizations have announced new officers for the year 1930-32.

Hamilton's Varsity "H" Club has elected Walter H. Pritchard, '32, president, Charles S. Estabrook, '32, secretary, and Hallock C. Campbell, '32, treasurer.

The Newman Club at its annual new officers for the year 1931-Communion Breakfast chose William A. Monacelli, '32, as president; Daniel J. Orcutt, '33, vice-president, and William T. Noon, '34, secretary-treasurer. Both Monacelli and Orcutt have served as officers and have been active in the club's work during the past year.

Hamilton's newest organization, the Arts Club, has elected William Sloane, '32, president, and N. Morey Eames, '32, secretary-treasurer. This undergraduate society was formed at the beginning of the college term with the idea of fostering the artistic side of student life.

At a final meeting of the Charlatans, Hamilton's dramatic society, officers nominated by the Executive Council were formally elected. John J. Walsh, '32, was chosen president and Robert L. Fay, '33, vice-president. Both men have been active in college dramatics and had parts in the commencement play, "The Pigeon".

The Political Science Club has also appointed its officers for the year 1931-32. John J. Walsh, '32, was elected president, and Donald M. Cunningham, '32, vice-president. Walsh served as secretary-treasurer of the organization during the past year.

The History Club, which was successfully revived this year, has made plans for its continuance and has elected as officers for the coming year. Odin Fredman, '32, president, and William Sloane, '32, vice-president.

The Economic Club, which like the History Club has been restored during the past year, has appointed a commission to direct the club's activities until officers are elected next fall.

Reverend A. David Williams, '26, returned to his home in Chuckery last week. He arrived in New York Thursday on the Caledonia, after having spent the year in study in the University of Edinburgh in Scotland.

HOLD ANNUAL SPRING MEETING

Eighty-Eight Awards Given; New Athletic Managers Are Announced

Eighty-eight athletic awards and the managerial appointments for the coming year were made at the meeting of the Undergraduate Association in Chapel Thursday morning. The meeting was conducted for the last time by Professor A. P. Saunders who was given a rising vote of thanks in recognition of his long service as head of the Executive Council.

The meeting opened with the appointment of Charles S. Estabrook as secretary of the Executive Council. This was followed by the announcement that the Association has become the virtual owner of the college store by purchase of a $1500 note, and henceforth its profits will be diverted to the athletic budget. Richard J. Redmond, '33, was given a vote of thanks for his leadership in organizing and conducting the college band.

New Honor Court Men Named

On the recommendation of the retiring cheerleader, Lloyd S. Jayne, '31, Benjamin J. Stone, '32, was appointed head cheerleader with Samuel J. Holt, '32, and Clarence R. Vosburgh, '33, as assistants. The Alpha Delta Phi fraternity was announced as winner of both the track and mushball interfraternity competitions. Bannerman won the college golf tourney for the second time with Saunders as runner-up. Leavenworth was winner of the second flight.

Francis J. Crowley, retiring chairman of the Honor Court announced these elections for next year: John A. Ready, chairman; William A. Woodcock, James T. Heyl, Alfred L. Fauver, and Coleman Burke.

Block letters were awarded as follows: In baseball to Captain Eggleston, Rienzo, Crowley, Stevens, Crowell, Ready, Douglass, Fay, Ollikainen, Scarpitto, Harvey, and Pardee, manager. In track to Captain Corwin, Ayres, Bellatty, Bliss, Campbell, Denman, Fischer, Jayne, Jensen, Jones, Kingsley, Pritchard, Puglisi, Rawson, Ruland, C. Symonds, White, and Marvin, manager. Captain Bannerman, Mead, Dixon, and Wettlaufer received letters in golf while Captain Boeve, Young, Schleit, Kelsey, and Knox, manager, were awarded the block "H" in tennis.

New Managers Announced

Block numerals in baseball were given to the following memzers of the Class of 1934: Creighton, Lewis, Hubbell, Gummerson, Gildersleeve, Messinger, White, McGee, Mand, Folley, Scott, Strully, Allen, and J. L. G. Smith. Plain numerals were awarded Fogle, Joslin, Wilson, Heyl and Diggs of the Class of 1933; and to Hummer, Benedict, Fisher, Glazier, Leavenworth, Fauver, Hollenbeck, Stein, and Zuckerman of the Class of 1932.

Block numerals were won in track by: Estabrook, Martin, Poppe, Sprague, Eames, Scobie, Olszewski, Clegg, and DeSormo. Plain numerals to: Morrow, Constantinides, Toaz, Cross, Gildersleeve, Areson, and Cowles.

Letters were awarded also, to the new managers and the new assistant managers were announced. The complete list follows; Football Enos S. Benedict, manager; Arthur O. Harvey, assistant; baseball, Robert D. Burnett, manager; Richard J. Redmond, assistant; hockey, William A. Woodcock, manager; Robert A.Lamont, assistant; track and cross-country, Homer Crane, manager; Louis DeBentley Hollingshead, assistant; La Fluer, assistant; seccer and tennis, Homer Crane,, manager; basketball, Jack W. Hummer, manager; La Verne Nichols, assistant; fencing, E. Judson Hamesston, manager; Richard Reed, assistant.

TRUSTEES HAVE ANNUAL MEETING

(Continued From Page One)

new browsing room, handsomely furnished and equipped with books, by a friend of the college; 53 rare and valuable books, several of which are believed to be unique in American Libraries, given by Louis J. Ehret; '04, a gift of 25 volumes, for the most part rare works on medicine which are of importance for the history of that science, and Hough's "The American Woods", 14 columes of mounted sections, all donated by Dr. Glass.

In regard to the proposed plan of cooperation with other college libraries in the state, the plan as it was approved by the Board last June, has been carried into effect.

Peace Restored At St. Lawrence

Although earlier in the season the faculty and students of St. Lawrence University were enstranged by minor difficulties, chiefly concerned with social activities of the students, peace seems to have been restored and the Commencement exercises were held as usual.

Owen D. Young, chairman of the board of trustees, marked the occasion by offering a gift of a new dormitory. It was chiefly through the respect of the school for Mr. Young that a conciliation was made during the recent disturbances on the St. Lawrence campus.

FERRY FAVORS LATIN, GREEK

Urges Study of Classics In Address at Russell Sage College

Speaking of the step recently taken by Yale University to abandon Latin and Greek as required subjects for the A. B. degree, President Frederick C. Ferry, in an address to the graduating class at Russel Sage College in Troy Monday, made a plea for the retention of the classics in the educational system.

In regard to the study of Greek and Latin, Dr. Ferry stated that the elective system had practically exterminated these precious classics although they were counted as of fundamental value in education.

"Why should a boy in the schools be expected to know how desirable for study these old languages are? The American public has sadly lost its faith in them, and it is not strange that he is not wiser than the people about him."

To prove the value of a classical education, Dr. Ferry offered statistics compiled on the Hill. "We found by comparing the grades in Hamilton College in all the courses of a recent semester (few of the subjects were in Latin or in Greek, and all subjects studied were included) that the 114 men who came bringing four years of Latin in their preparation averaged 80 in all their work; 106 brought three years of Latin and they averaged 74; and the 90 who came with only two years of Latin averaged 71. If the College were unwise enough to admit without any Latin at all, we are warranted in believing that they would rank still lower."

Dr .Ferry also said that it has been discovered in connection with specialized education that if the graduate engineer does civil engineering, "his work is done easily and fairly well; he loafs away his evenings and in 10 years he is no further along in his work than when he began. If he is forced at college to take another task, he must study in his evenings and thus grows."

An investigation first taken at Yale in 1929 to determine the value of the dead languages agrees with the Hill results to a marked degree. The test revealed a "significant and consistent" superiority of the men who had gained the A. B. degree in college. They were on a whole, younger in graduation and gained more honors in their courses. Recently, however, proponents of the new Yale plan intrusted to a statistician the compilation of figures which should prove that the students who took Latin courses were not helped by the instruction gained in this subject. By ignoring the cultural background which these classics gave for other subjects, it has attempted to prove that those who are not enrolled in Latin courses are better prepared than those who are engaged in this study .

DEBATERS WIN, LOSE TWO IN PAST SEASON

Hill Representatives Lose To Lafayette and St. Lawrence

Hamilton's forensic team, closing its season in a victory over Wells College at Aurora, won two and lost two of their eight debates this year. The high spots of the season were the debates with the Scottish Universities and Bates College, the champions of the world in intercollegiate debate. The new teams on the schedule this year were Colgate and St. Lawrence Universities, Bates College and Lafayette College.

The season opened on Oct. 23, 1930, with the invasion of the Hill by the Scottish Universities team, composed of John M. MacCormick of Glasgow University and Norman A. B. Wilson of St. Andrews' University . The Hamilton team, consisting of Jefferson F. Meagher, '31, and Willis M. Rayton, '31, upheld the negative of the question: "Resolved, that mechanical and scientific progress does not necessarily represent advance in civilization." There was no decision given in this debate.

Debate Over Radio

The Hamilton team of Latimer B. Senior and John H. Jones, both '31, on the negative side of the question: "Resolved, that the United States should favor the Briand Plan for the economic unification of Europe," gained an unanimous verdict over the Union College debate team. The debate, which was held in Schenectady, was broadcast over the General Electric station, WGY.

The second radio debate of the year was held wtih Colgate over radio station WFBL at Syracuse. Samuel Holt, '32, and John J. Walsh, '32, supported the negative. The question debated was: "Resolved, that the United States should recognize Soviet Russia." This is the first debate Hamilton has had with Colgate in a period of 10 years. No decision was given.

Lost Two Decisions

On March 10, the Spring debate season started with a forensic contest with Albany State Teachers' College . Willis M. Rayton, '31, Roy L. Smith, '32, and John W. Howard, '32, represented Hamilton at Albany, taking the negative side of the question: "Resolved, that the emergence of the modern woman from the home is to be deplored." No decision was rendered.

Debating the question: "Resolved, that the United States should recognize Soviet Russia immediately," Hamilton, with a team composed of Latimer B. Senior, '31, and Irving Gellman, '32, was defeated by the Lafayette College team on Friday, March 13, by a 2-1 vote of the judges. The debate was held in the College Chapel.

Meet Bates College

On the same day Hamilton lost its other debate of the year also. St. Lawrence, upholding the affirative of the question: "Resolved, that the State should enact compulsory unemployment insurance legislation," defeated the Buff and Blue team composed of Albert C. Redmond, '31, and Leo A. Zuckerman, '32.

The Bates College forensic representatives met Jefferson F. Meagher, '31, Edward G. Hooks, '32, and Arthur H. Stein, '32, who maintained the negative of the question: "Resolved, that the emergence of the women from the home is a regretable feature of modern life." Bates College claims the world championship of intercollegiate debate by virtue of its world tour last year. In this debate, too, there was no decision.

WALTER H. PRITCHARD, '32, PLACES FIFTH AT CHICAGO; TRACK SEASON SUCCESSFUL

Captain-Elect of Track and Basketball Defeats Defending Champion and Finishes Well Up in Field of Twenty-seven Milers

Advances From Seventeenth To Fifth Position In Last Lap

SETS COLLEGE RECORD

Covers Distance At 4:19.4 Clip To Shatter Own Mark

Running for the first time in competition with the nation's best college milers, Walter H. Pritchard, '32, captain-elect of track and basketball and former captain of the Hill cross-country team, placed fifth in the mile event in the annual National Collegiate Athletic Association meet at Chicago on June 6. In placing in the run, Pritchard waged a long battle with Joe Sivak of Butler College, defending mile champion, and beat Sivak out decisively at the finish. Pritchard's time, 4 minutes, 19.4 seconds, was barely a second slower than the time of the winner, Ray Putnam of Iowa State College. This time is much faster than that run by any other Hamilton miler in history and constitutes a new college record, being 3.3 seconds better than the new mark which Pritchard hung up in the Union meet at Schenectady on May 9.

In the field against which Pritchard started there were 13 runners who had done better than four minutes and 20 seconds, a clip that the Hamilton star had never previously attained. However, the Buff and Blue captain-elect not only bettered 4:20 in placing fifth, but he also defeated, in addition to Sivak, Hartman, the man who has turned in the third fastest mile in the country this season, and the two men who placed first and second in the Western Conference.

Receives Favorable Comment

The race, run on a soft track, made difficult by a heavy rainfall on the preceding night, was courageously won by Putnam, who nosed out Hill of Oregon by three inches in what nearly proved to be a blanket finish. Putnam was near the breaking point at the finish and bled profusely from the nose and mouth. Pritchard appeared in splendid condition at the finish. His performance excited much favorable comment from coaches and spectators alike and many of the leading authorities are looking to his future performances with interest.

The field, composed of 21 of the leading college distance men, was an exceedingly hard one to run in. Starting out on the last lap, Pritchard was in seventeenth place, but he let the opposing runners have the full benefit of his pace-eating stride as the home stretch neared. With Pritchard battling out the fifth place with Sivak and finally heading the 1930 champion, George Dawson of Oklahoma and D. Pearson of North Dakota slipped by him to take third and fourth, respectively with magnificent finishes.

Is Conference Champion

In scheduled Hamilton meets, both in cross-country and track during the past two years, Pritchard has met defeat but once, losing the Conference mile in a close finish on Steuben field in the spring of 1930. However, he has won the Conference cross-country title twice consecutively and has yet to meet defeat in a harrier race. In 1930 the Hamilton ace won seven races in the mile and two-mile events and 10 consecutive mile and two-mile runs during the season just past.

As a sophomore, Pritchard won three letters, in cross-country, basketball, and track, and is well on his way to nine block "H's," being captain-elect of the 1931-32 basketball team and one of the high scorers in the Conference.

Backed By Was Los

Pritchard's trip to Chicago was financed by Was Los, junior honorary society, of which he was president this year. He is a member of Quadrangle, D. T., and Pentagon, also of the Upperclassman Council, and is president of the class of 1932. Pritchard is affiliated with Delta Kappa Epsilon fraternity.

Two other Central New York runners, Captain Aussicker and McCague of Union, competed in the N. C. A. A. meet. Aussicker qualified for the finals of the 880-yard run, but did not place. McCague, however, took sixth place in a fast quarter mile, which was won by Vic Williams of Southern California, Penn relay champion.

Elected Captain

WALTER H. PRITCHARD, '32

Walter H. Pritchard, '32, Hamilton distance ace, has been chosen captain of the Buff and Blue 1932 track team. Pritchard, captain-elect in basketball, served last Fall as captain of cross-country and is a member of Quadrangle, D. T., Was Los, Pentagon, and of the Upperclassman Council. He is president of the junior class and has established a new Hamilton College record for the mile run. He is a member of Delta Kappa Epsilon.

ATHLETES LEAD IN SCHOLARSHIP

Office Figures Show Marks of Team Members Over College Average

Figures recently compiled by the office show that the scholastic average of lettermen is higher than that of non-letter men and than the general college average during the past year. This is true when taken as a whole, but when taken by classes the sophomore letter men fall slightly below their class average. The senior and junior athletes, however, stand above the general class average.

Football is the only sport that stands below the college average. The teams with few men, with the exception of golf, take the lead in the classification by sports, fencing, cross-country, and basket ball topping the list.

While the differences in all cases are small between the athletes' average and the class average, the figures do show that the athlete is not less intelligent than the other members of the student body and that participation in athletics does not require too much time to be taken from work.

Averages of Letter Men

Seniors	(25)	79.635
Juniors	(15)	75.959
Sophomores	(22)	71.560
Average	(62)	75.620

Averages of Non-Letter Men

Seniors	(50)	78.528
Juniors	(68)	75.772
Sophomores	(112)	72.715
Average	(230)	74.881

Averages of Classes

Senior	78.897
Junior	75.803
Sophomores	72.525
Freshman	72.226
Average	74.099

Sport	Average	
Fencing	80.870	(6)
Cross-country	80.360	(5)
Basketball	79.885	(9)
Baseball	79.460	(6)
Soccer	78.305	(13)
Track	76.400	(11)
Hockey	75.300	(12)
Golf	75.000	(2)
Football	73.073	(22)

*The numbers in parentheses denote the number of lettermen in each of the various squads.

Tobias J. Collins, '26, principal of the Verona High School spoke at the meeting of the Kiwanis Club held at Stanwix Hall in Rome Wednesday.

Principal Collins discussed the methods which the elementary schools employ today in guiding students in their preparation for higher education. He also told how invaluable the cooperation of the Kiwanis Clubs had been in the vocational guidance of the students.

BASEBALL SEASON ENDS WITH THREE WINS, SEVEN LOSSES

Hamilton Defeats Niagara, Rochester, St. Stephens On Diamond

HILL LACKS PITCHERS

Douglas Does Good Work On Mound; Harvey Injured Early In Season

The Hamilton baseball team featured its 1931 season with three well-played games, each of which resulted in a victory over a highly-rated opponent. The remaining seven contests played found the Buff and Blue defeated by substantial margins in each case.

One of the main reasons for the Hill nine's poor season is found in the lack of pitchers. Duties of pitching this year fell upon two or three who had seen hardly any experience in college baseball previous to this season. When pitching went well, the team usually was able to garner sufficient batting strength to pull through with a victory. Douglass pitched well throughout the season, holding Rochester to two hits and Niagara to six. Captain-elect Harvey was lost to the team early in the season because of a leg injury.

Swamp St. Stephens, 14-1

Hamilton this season played a well-balanced schedule of old opponents and new. Some of the more highly-ranked nines met by the Hill representatives played through the season with few defeats in long schedules. One of these, Pratt Institute, was met in the second game of the year at Brooklyn on April 25. Hamilton went down to defeat, 15-0, failing to hit more than once the offerings of Boermerman, one of the foremost college pitchers in the country, who has compiled an enviable record both in high school and in college.

In the first game of the season, at Annandale, Hamilton collected 14 hits against St. Stephens, winning the game, 14-1. Captain Eggleston led the batting barrage with five hits, a perfect day with the stick. Harvey allowed St. Stephens only five hits in this game, the team holding the home club scoreless until the sixth inning. Hamilton made but two errors and hit well in every inning but the second and seventh. Several scoring bees kept the Buff and Blue total mounting until the very last.

Rain Upsets Schedule

The game at Rochester on May 2 was halted in the last half of the fifth inning by rain. Rochester was leading, 6-3. This game was marked by heavy hitting by both teams—three home runs, six singles and a triple making a total of 10 hits in all, five for each nine. Harvey pitched for Hamilton but was handicapped by two errors by his team-mates in the five innings played.

Clarkson collected 14 hits to off set its seven errors and defeated Hamilton, 12-6, on the local diamond on May 7. The Buff and Blue club showed marked signs of improvement, with its infield functioning very well, only two errors being credited to the Hill team for the game. Eggleston and Ollikainen, each with a home run, featured the Buff and Blue at bat. Three Hill pitchers attempted to stem Clarkson batting power but the Engineers forged ahead in the sixth inning and increased their lead in the concluding frames. The Hamilton-St. Lawrence game, scheduled for May 12 at Clinton, was cancelled on account of rain.

Avenge Rochester Defeat

Rochester came here on May 15 intent on repeating its earlier victory at the expense of the Hill nine, but Coach Weber's team played its best baseball of the year to down the visitors, Crawford Douglass, sophomore pitcher, allowed but two hits in the shutout defeat of the Yellow Jackets. The team supported Douglass well throughout and took advantage of all possible breaks to make sure of a 2-0 victory. Rochester played errorless ball and Hamilton slipped but twice in fielding. Hamilton got five hits from the offerings of Lines.

A two-day trip following House Party week-end proved disastrous for the Hamilton squad. St. Lawrence had little difficulty in winning at Canton, 13-2; and Clarkson made it two in a row over Hamilton with a 6-2 victory. Meichelbeck of St. Lawrence allowed Hamilton only four hits but the Larries got 13 from Harvey, Orcutt, and Ollikainen.

Union Defeats Hill, 8-2

The Clarkson game was close up to the sixth inning when the home team pounded Douglass for three well-placed hits.

Niagara University's nine, presumably the fastest opponent of the Hill club this season, led Hamilton for eight frames, 1-0, when a triple by Fay with three men on base in the last half of the ninth brought victory to the Buff and Blue. The game lapsed early into a pitching duel, Douglass being credited with his second victory of the season. Each team had six hits and each made only one error, the contest being extremely tight throughout.

Finding Douglass for successive, well-placed hits, Union took advantage of breaks and coupled them with batting power and good base-running to take Hamilton's measure in the final game of the season at Clinton on May 30. The score was 8-2.

Captain Eggleston, Rienzo, Stevens, and Crowley are the only regulars being lost by graduation.

Baseball Coach

MOX A. WEBER

Harvey Is Chosen Baseball Captain

At a meeting concluding the 1931 baseball season, this year's lettermen chose Arthur O. Harvey, '32, as the new captain of the Hill diamond squad. Harvey, twice letterman in baseball, was one of the mainstays of the Buff and Blue moundsmen last year.

During the past season, Harvey shared the pitching duties until mid-season. At this time he was forced to drop from the Buff and Blue line-up because of a sprained ankle suffered in the second Clarkson game. He was voted a letter at a recent meeting of the Undergraduate Association upon recommendation of the manager, captain, and coach of baseball. Harvey is a member of Theta Delta Chi.

GOLF, TENNIS SEASONS POOR

Three Victories, Two Ties Mark Meager Success In Minor Sports

Two victories in golf and one win and two ties in tennis comprise Hamilton's meager success in the field of minor sports this spring. The golf team was defeated by Cornell and Colgate twice and by Amherst once, but gained two decisive victories over Union College's links representatives. St. Stephens was the lone opponent to bow before Hamilton in tennis, the Hill squad winning at Annandale, 6-0. Albany State and St. Lawrence were each tied at 3-3, but Colgate and Williams had little difficulty in scoring 6-0 victories over the Buff and Blue.

Captain Bannerman won three matches in golf, being the most consistent of the foursome which played every match but one. Bannerman was No. 1 man, with Mead, '33, No. 2, and Dixon, '32, and Wettlaufer, '32, in the last two positions. Mead and Bannerman paired to play best ball matches as did Dixon and Wettlaufer. Bannerman concluded his college golf career by winning the college individual championship for the second time.

Williams Wins, 6-0

Cornell and Colgate each presented line-ups of some of the best college golfers in the state. However Bannerman defeated Captain Nelson of Colgate in the first home match of the season by a good margin and thus turned in one of the few decisions which Nelson has dropped during his career at Colgate.

The first tennis match of the season, with Colgate on April 29

(Continued on Page Four)

UNION NINE DOWNS HAMILTON PLAYERS IN LAST GAME, 8-2

Buff and Blue Ball Team Bows To Garnet On Decoration Day

WINNERS GET 13 HITS

Visitors Garner Two Home Runs and Two Triples, Nine Singles

Six runs for Union in the second inning spelled disaster for the Hamilton nine in the annual diamond tilt between the Buff and Blue and the Garnet, as the latter gained an 8-2 verdict on the Steuben Field on Memorial Day. The visitors' other two tallies came in the first and seventh innings, while the Continentals scored their pair in the sixth.

Hamilton fought an uphill battle all the way, even if the second stanza is not considered, as is shown by five hits as compared with Union's thirteen, four of which were triples or home-runs. It was only excellent support combined with good breaks that enabled the Buff and Blue to keep on even terms with the Garnet from the second inning on.

Reville started the scoring in the opening inning when Ackley got a triple to right center, but the real scoring spree came in the next stanza, when Mitchell and Reville both hit for the circuit with two men on. Mitchell's hit would have been a ground ball to Fay with the infield playing back, but with the first two bases covered, he was playing on the bag and watching for a bunt. A bad hop put it over Rienzo's head, and it went down the right field bank. Reville's homer was a long drive between the outfielders who had no chance to stop it. Eggleston relieved Douglass on the mound and held the visitors to a lone tally for the rest of the game.

Neither team scored again until the last of the sixth when the Continentals got their pair. Ollikainen reached first on Kahn's error. Eggleston got a clean single to left field, and scored when Dill, trying to play for a force out at second, missed the ball completely.

In the next inning a flurry of Union hits scored a run and filled the bases, but a double play, Eggleston to Ready to Fay to Ready, caught two men at the plate and pulled the Buff and Blue out of a hole.

Box-score and summary:

Buff and Blue Runners Win Conference Title Second Consecutive Time In One of Most Successful Seasons In Years

Coaches Winning Team

ARTHUR R. WINTERS

The conclusion of the 1931 track season, marked by victories in two dual meets, and a second consecutive first place in the Conference Meet, added another success to the record compiled by Coach Arthur Winters since he joined the Hill athletic department in 1927. Mr. Winters, head coach in football and track, has turned out successful teams in both of these sports during his four-year stay on the Hill.

SENIOR NINE DOWNS FACULTY

Undergraduates Collect Two Runs in Final Inning To Win, 6-4

Before a crowd which numbered more than the usual attendance at intercollegiate games, the senior baseball team defeated the faculty nine, 6-4, on Thursday, May 28. The faculty members held the undergraduates to a tie until the last inning when the winning runs were driven across the plate.

Wilder, with three hits and two runs for the professors, and Stevens, with two hits and one run for the seniors, did the best work of the day. Graves, hurling for the losers, turned in a fine exhibition. Rienzo, varsity outfielder, who got the mound assignment for winners, let his opponents down with five hits. Fischer, '31, got the longest hit, a triple, while Rienzo and Wilder poled doubles.

The line-up:

Defeat Alfred, St. Lawrence, Rochester, and Hobart At Conference

LOSE ONLY TO UNION

Team Bows To Garnet, Defeats Rochester and R. P. I. In Dual Meets

Conquerors of R. P. I. and Rochester in dual meets, defeated only by Union's versatile squad, and winners of the New York State Intercollegiate Athletic Conference championship for the second consecutive year, the Hamilton track team once more take its place among the most successful of Buff and Blue sport squads. The team showed unmistakable signs of power when it defeated Rochester indoors before the regular season opened and then scored a close victory over the engineers from Troy to open the outdoor season. Although Union won by 30 points from the Hill team at Schenectady, Hamilton gave the Garnet a good fight in every event.

Easy Victory At Conference

The feature of the season was the ease with which the Buff and Blue defeated Alfred, St. Lawrence, Rochester and Hobart, in the annual Conference meet on Rochester's new river field and track on May 23. Alfred was considered the most dangerous rival for Coach Winter's team, but Hamilton won seven firsts, four seconds, and six thirds to compile a total of 84 1-2 points to Alfred's 64 1-2. St. Lawrence was third in the meet with 35 points while Rochester and Hobart, the latter in its first Conference appearance, trailed with totals of 21 1-2 and 13 1-2 points.

Second only to the Conference victory was the overwhelming defeat over Rochester during House party week-end on the Hill. The University team trailed by 83 points, Hamilton winning 107-24. Thirteen first places went to the Buff and Blue representatives in the Rochester meet with three Hamilton men each scoring double victories.

Nose Out R. P. I.

R. P. I. nearly matched Hamilton's running brilliance with consistency in the field events in the opening outdoor meet of the season. The Hill team forged ahead on Charles Symonds' javelin throw after being dangerously near defeat. The score was 67-64. Later in the spring, R. P. I. defeated Union by an unusually small margin. In the Hamilton meet, the Troy outfit swept the high jump and discus and came through with all places in the high hurdles. Hamilton was able to sweep only one event, the 440, in which Bellatty, Denman, and White finished in order. Denman was released from the infirmary at noon on the day of the meet, but won the quarter and turned in a fast 440 in the medley relay, which went to Hamilton by a wide margin.

Union's sprinters, weight men, and hurdlers combined points to give Hamilton its only defeat of the season and its second in two years. Pritchard, as usual, dominated the distance runs, setting a new mile record for both Hamilton and Union meets, eclipsing the Buff and Blue mark of 4:33.2 set by Thompson, '23, and the Garnet record of 4:25.8 set by C. Sawtelle in 1928. Pritchard's mark, his best performance of the regular season, was 4:22.7. However, he bettered this time in the National Collegiate Athletic Association meet at Chicago on June 6, finishing ahead of Joe Sinok, defending champion, to place fifth in a field of the nation's best college milers, with a time of 4:19.4. The winning time at Chicago was 4:18.

Kingsley Ties Vault Record

George Kingsley, sophomore pole vaulter, tied the Hamilton pole vault record set by Sheperd, '17, when he vaulted 11 feet, 6 inches in the Union meet.

The Union meet was the only one in which the team enjoyed good all-around conditions of track and weather. The R. P. I. meet was run off on a soft track against a very strong wind, Rochester came here to go down to defeat in a downpour of rain, and the Conference runners on May 23 encountered poor weather conditions.

Satisfactory as the record of the Hill team has been this year, even more interesting and laudable

(Continued on Page Four)

SPORTS COMMENT

(By Robert M. Diggs, '33)

The awarding of letters in Spring sports officially brought to a close another year's athletic program. The Buff and Blue has had a successful year when considered as a whole, and one that promises well for next year.

In fall sports, an otherwise mediocre football season was turned into one of glory by an uphill 7-6 victory over Union, the one game at which the season's campaign was headed. The soccer team, although experiencing a poor season, won a surprising victory over Syracuse.

During the winter, the hockey team was the best in years, losing but one game and tying one, and these two the first games of the season before the Continentals had been on the ice long. The basket ball team, showed good ability, but its weakness in the second halves accounted for many losses. The fencers, though unusually weak, had a strong sabre team, and Hancock did well with the epee throughout the season.

SIGMA PHI TEAM WINS ANNUAL INTERFRATERNITY TRACK EVENT

Freshmen Take Interclass Contest; E. L. S. Runners Recapture Relay

Led by "Andy" Scobie, who paved the way for victories for his fraternity and class, the Sigma Phi track team won the interfraternity track championship Memorial Day. Scobie, scoring 26 out of the 38 points, amassed by the Sigs, and Ralph Martin, who captured three firsts and a fourth, sewed up the interclass award for the class of 1934. A fast E. L. S. relay team, which clicked off the half mile in 1:41.4, retained the cup won in 1930 for this event.

Alpha Delta Phi finished second with 34½ points, outdistancing the third place Emersonians by 9½ points. The Lambda Chi runners garnered 23¼ points to finish two points ahead of the fifth place D. U. outfit and four ahead of the sixth place Theta Delts .The Neutrals' 15½ counters won seventh position and the Psi U and Chi Psi teams finished in a tie for eighth place. The Chi Betes, Dekes and Tekes finished in the order named.

Scobie Wins Three First Places

Scobie's performances were the outstanding features of the meet, consisting of victories in the 100, 220, and the discus throw; second in the low hurdles and shot put, and third in the high hurdles. After turning in a 10.3 victory in the trials for the 100 on Friday, Andy won the event in 10.4 Saturday, and followed it by 22.6 in the 220, one of the fastest on the Hill this season. Scobie also ran in the second place Sig team in the relay event.

The meet seemed to be a series of outstanding individual performances, as Martin and Sprague closely followed Scobie in the totaling of points. Sprague was largely responsible for a surprising Alpha Delt finish, with wins in the 440 and pole vault, a second in the low hurdles, third in the javelin and a fourth and fifth in other events.

E. L. S. Wins Relay

Martin won the low and the high hurdles as well as the broad jump, and finished fourth in the high jump to run up a total of 17 counters.

E. L. S. team won the relay event, coming from behind in third place to cop the event with a surprising finish in the time of 1:41.4 The D. U. Quartette, after being out in front at the first, fell behind to finish in fifth position as Scobie led the Sigs to a close second.

Totals

Sig, 38; Alpha Delt, 34½; E. L. S., 24; Lambda Chi, 23½; D. U., 21½; Theta Delt, 19; Neutral, 15½; Chi Psi, 14; Psi U., 14; Chi Bete, 10; Deke, 7; T. K. E., 4.

'34	90½

Sloane Appointed New Editor Of Lit

After a year of competition, William Sloane, '32, and John D. Braymer, '33, were appointed editor-in-chief and assistant business manager respectively of next year's Hamilton Literary Magazine. Sloane has been on the borad of the magazine for three years. He is an assistant editor of Hamilton **Life**, having been a reporter for three years. He is member of Pi Delta Epsilon and the Emerson Literary Society. Braymer, who by virtue of his appointment, will automatically become business manager in 1932, is a member of the Decagon Society.

GOLF AND TENNIS SEASONS MEDIOCRE

(Continued from Page 3)

at Clinton, was called off on account of bad weather conditions. The Hamilton squad met Williams at Williamstown in its first match on May 2, suffering a 6-0 defeat.

Colgate Wins, 6-0

On May 5, the State College for Teachers at Albany tied Hamilton, 3-3, at Clinton. In this match and in the one succeeding it, on May 18 with St. Lawrence, also a 3-3 tie, Hamilton did not display its best brand of tennis, the visiting teams taking advantage of this fact to prevent defeat.

Two matches with Syracuse, comprising a home and home series, were rained out on May 8 and 14.

The team made its second trip on May 22 and 23 and defeated St. Stephens in all six matches at Annandale. The Union match at Schenectady was called on account of rain. The team concluded its season at Hamilton on May 27, losing to Colgate, 6-0.

Murphy Eligible Next Year

The season was featured by the individual performances of William Young and Philip Schleit, both sophomores, who won their singles matches in every meeting except the Williams and Colgate matches. Young paired with Captain Lucas Boeve to form the No. 1 doubles team and Schleit paired with W. M. Kelsey, '32, to form the No. 2 team, these combinations playing nearly all of the matches.

The tennis squad will be considerably strengthened next season by the addition of Richard T. Murphy, '33, 16th ranking player nationally, who on account of the one year residence rule was ineligible to represent Hamilton in intercollegiate tennis this year. Young, Schleit, and Kelsey of this year's team will be returning as well as several promising players from the present freshman class. Captain Boeve alone will be lost through graduation.

COURT TEAM LOSES

In its last meet of the season, May 27, Hamilton's tennis team bowed to Colgate, 6-0. Kelsey and Schleit, Hamilton's number two doubles team, held Dieseroff and MacPherson of Colgate off for a third set only to succumb finally, 6-4, 4-6, 6-4. The Colgate singles men took all their sets easily except when Schleit pushed his man to 10 games in their second set.

The Hamilton men took only one set in the course of the whole afternoon's play. Woodruff of Colgate beat Young, 6-2, 6-2. The former got to the quarter-finals in the New York tennis tournaments and he and Tompkins of Colgate reached the semi-finals in the doubles. Tompkins beat Captain Boeve, 6-1, 6-2. Kelsey of the Hamilton team fell before Butler, 6-1, 6-2, and Schleit's score against Dieseroff of Colgate was 6-2, 10-8, in favor of Dieseroff.

In the doubles the Tompkins-Woodruff combination downed Boeve and Young, 6-1, 6-3. The tournament experience of these two Colgate men showed itself early in their play. The match was played on the university courts at Colgate.

GOLF TEAM WINS AND LOSES TO END SEASON

Colgate Downs Hill Squad, 6-0; Buff and Blue Scores Over Union, 5-1, in Final Game

Hamilton's golf team ended its season with a 6-0 defeat by Colgate on May 27, balanced by a 5-1 victory over Union two days later. Playing Colgate at Colgate the Hamilton men, with the exception of Captain Bannerman, who held Nelson of Colgate to lose only 3 down and 2 to go, offered little opposition. In the Union meet Dixon was the only Buff and Blue representative to lose and both Bannerman and Mead beat their men, 5 down and 4 to go.

In the Colgate matches Nelson of Colgate beat Bannerman, 3 down and 2; Connel of Colgate beat Mead, 8 and 7, with the best ball in this foresome going to Colgate, 8-7. In the second foresome Koal of Colgate downed Dixon, 8-6, and Ginster of Colgate beat Wettlaufer, 8-7. Again Colgate played the best ball, 8-7.

Playing Union, Bannerman forced Stewart out with 5 down and 4 to go and Mead beat Howard by a like score. In this foresome it was Hamilton's best ball again, 5-4. Blood of Union beat Dixon, 3-1, but Wettlaufer beat Cheer, 2-1, and the best ball for the foresome was Hamilton's, 1 up.

BROWSING ROOM

The Faculty Committee on the Browsing Room, composed of Professors Robert Barnes Rudd and Edgar Baldwin Graves, and Mr. Joseph D. Ibbotson, librarian, was pleased to announce the re-opening of the Browsing Room on Sunday, after being closed for approximately two weeks.

The Browsing Room, opened to the students in February, has proved a popular and valuable means to turn moments of leisure to good account. It was erected as a memorial to Eugenie Dumaux Rogers, a friend of Hamilton.

Two Hill Alumni Admitted To Bar

Two members of the Class of 1925 were among the successful students who took the bar examinations in March, according to an announcement made Saturday. They are: Theodore R. Davies, of Camden, New York, and Robert E. Morris, of New Hartford.

Successful students must serve clerkship in a law office for one year and pass the committee on character and fitness of the Appellate Divisions of the state to be admitted to the bar. Davies is a member of the Psi Upsilon fraternity while Morris is a member of the Emerson Literary Society.

PRIZE WINNERS ARE ANNOUNCED

(Continued From Page One)

side Cruser were announced by Dean Fitch as having been elected to the scholastic fraternity by the Faculty on Monday.

Besides winning the Root award, Albert Carroll Redmond was also awarded the Holbrook Prize in Biology. The Root Fellowship, established by Elihu Root, '64, provides a stipend of $1000 for the senior with a high scholastic average and who has also shown marked ability and special aptitude for research in one or more departments of science. The faculty selected Redmond for the outstanding work he has done in biology, chemistry, and geology. The rules concerning the prize provide that it may be used in any American or European university. Redmond expects to study at the Cornell school of Medicine in New York City.

The Holbrook prize is given to that senior who has excelled in three one-year courses in biology and will provide $50 for Redmond in addition to the Root award.

Other Prizes Awarded

The Edward Huntington Memorial Mathematical Scholarship for this year went to Hallock Cowles Campbell, '32. This scholarship, founded by Alexander C. Soper, '67, yields $250 to that Junior who has made the best record in his three years of mathematics.

Sydney Simon Glazer, '32, captured both the Soper Latin Scholarship and the Curran Prize in Greek and Latin. The Latin scholarship founded by Arthur W. Soper gives $250 to the highest junior in third year Latin and the Curran prize is awarded upon the basis of a comprehensive examination covering work in both subjects. A German Scholarship donated by Charles Holland Duell, '71, was awarded to William Sloane for his work during his three years of German at Hamilton. This prize also provides $250.

The following prizes were also awarded Wednesday morning: The Oren Root Mathematics Scholarships, two of $100 each to Robert MacLary Diggs, '33, and Donald Law Martin, '33.

The Renwick Prize Scholarship, yielding $75 to a junior for study of Biology during the summer, to John W. Howard, '32.

The Fayerweather Scholarship, an award of $100 to the freshman with the highest grades in entrance examinations, to Oscar Houghton Love, Jr., '34.

The Hawley Book Prize in Greek, awarded to the person making the best record in Greek 3-4, to Coleman Burke, '34.

The Brandt Prize in German, offered to seniors excelling in German, an award of $50, to Ralph J. Kuczyke.

The Darling Prize in American History, a prize of $25 to Harold J. Conger, the senior excelling in that course.

The Tomkins Prizes in Mathe- and $50 on the basis of an exam- matics, providing prizes of $100 ination at the close of the junior year on the work of courses 3-4 and 5-6 to (1) John Henry Mangan, Jr., '32, and (2) Hallock C. Campbell, '32.

The Underwood Prize in Chemistry, provided for the senior who excels in Chemistry, awarded to John F. Corwin.

The Hawley Prize in Latin, providing book prizes to the best student in Latin 3-4, divided this year between Herman F. Schlitz, '33, and Michael Scarpitto, also '33.

The Winchell Prize in Greek, providing $50 to the undergraduate with the best record in three-year courses in that subject, to Lucas Boeve, '31.

The Soper Prize Thesis in Economics, carrying a prize of $75 to Montgomery C. Smith, '31.

The McKinney Prize Debate was won by Jefferson F. Meagher with Wilmer Breese taking second place.

The Head Prize for an original oration on Alexander Hamilton to Jefferson F. Meagher, '31.

TO HOLD CLARK PRIZE ORATION

Annual Speaking Contest Will Be Conducted In Chapel Tonight

Tonight in the final speaking contest of the year, five members of the senior class, selected on the basis of orations submitted earlier in the year, will compete for the annual Clark Prize. From the foundation of $1,000 supplied by Aaron Clark and supplemented by Henry A. Clark, '38, prizes amounting to $400 were awarded to winning speakers.

According to an announcement made in Chapel some time ago, the members of the reading committee selected the following seniors who will address an audience of alumni and guests in the Chapel tonight: Francis Jerome Crowley, on the subject, "Andrew Johnson"; John Haydn Jones, "Gandhi, the Salt-Maker"; Jefferson Frederick Meagher, "Andrew Johnson"; Andrus Bassett Smith, "The United States of Europe"; Montgomery Cayley Smith, Jr., "A Square Deal for the Railroads," and Charles Searle Symonds, "Walt Whitman." The subjects were submitted from a list approved by the reading committee earlier in the year.

HILL RUNNERS WIN CONFERENCE TITLE

(Continued from Page 3)

were the individual performances of the season. Hamilton compiled a total of 32 first places in its four outdoor meets, 16 in the field events and 16 in the track. One tie for first place was gained in the field. Twelve seconds went to Hamilton in track events and 10 seconds and a tie for second augmented the Buff and Blue total in the field. In respect to third places, Hamilton gained 15 on the track and 12 and a tie for two third places in field events. Four fourth places and a tie and two fifths completed the total for the season. In dual meets, the Hill outfit scored 22 points to 166 for opposing squads.

Meets throughout the season were featured by brilliant individual performances of Hill runners and field men. Captain-elect Walter H. Pritchard, '32, won eight straight races in the mile and two mile runs, being undefeated. He also won the same two events in the indoor meet at Rochester, which Hamilton won, 67-55. Pritchard was pressed only once, and that was in winning the mile run at Union, when he set the new mark for both colleges. His showing in the National Collegiate races at Chicago was extremely gratifying since it was his first appearance in competition of the first order.

Frank Bellatty, '33, with four first places in the 440 and 220-yard low hurdles, showed the second best track average. Bellatty also gained two seconds and two thirds in the various meets.

Charles Symonds, '31, gained 20 points for Hamilton in the javelin throw, winning the event in every one of the four outdoor meets. Maynard Jones, besides winning the shot and discus in the Rochester indoor meet, won first places in four weight events during the regular season and placed second twice.

Kingsley led one of the most consistent groups of Hamilton pole vaulters that has represented the Hill in several years. He won the event in three of the meets, including the Conference, tied the College record in the Union meet, and tied for first place with Jayne, Martin and Sprague of Hamilton in the Rochester meet when the Hill swept all four places

Captain John F. Corwin, '31, began the season with a victory in the 100-yard dash against R. P. I. and added to his total a second, two thirds and a fourth place throughout the remainder of the year. George Ruland, sophomore sprinter, handicapped early by stomach trouble, won two firsts in the 100 and 220, one second, three thirds, and a tie for third place.

The William Duncan Saunders Prize for the best piece of writing done by an undergraduate during the year, to C. Lafayette Todd, '33.

Departmental Honors were awarded to the following men:
Greek, Cruser.
Latin, Bresee, Crowley.
German, Kuczycke.
French, Bates, Cruser.
English Literature, Cruser.
Philosophy, Kuczycke, Rayton.
History, Lawrence.
Political Science, Meagher.
Economics, M. C. Smith.
Mathematics, Bannerman, M. C. Smith, Crade, Rayton, Wardell.
Biology, Redmond, Webb.

PI DELT TAKES EIGHT MEMBERS

Journalistic Fraternity Inducts Pledges, Elects New Officers

At a meeting of the local chapter of Pi Delta Epsilon at the Delta Kappa Epsilon House Sunday afternoon, May 31, eight pledges were initiated into the national honorary journalistic society, and officers for next year were elected. The men chosen for the honor were: Douglas H. Batten, Donald C. Cunningham, Jack W. Hummer, Clifford A. Lewis, John H. Mangan, and Merle E. Schoepflin, all of the class of 1932. Howard C. Hosmer and Philip Schleit were the sophomores honored.

Prior to the initiation ceremony, election of officers for the coming year was held. Edward V. Gross, '32, was chosen president of the chapter for the coming year; Robert G. Phelps, '32, was made vice-president; Donald C. Cunningham, '32, secretary; and Merle E. Schoepflin, '32, treasurer. These men succeed Jefferson F. Meagher, '31; Robert Musial, '31; Robert L. Wilson, '31; and Robert W. Cruser, '31 as officers.

Phelps is business manager of the 1932 "Hamiltonian", a member of the "Royal Gaboon" board, and a member of the Theta Delta Chi fraternity.

Cunningham is business manager of the Hamilton "Literary Magazine, a letterman in soccer, a member of the Delta Kappa Epsilon fraternity.

Schoepflin and Gross are members of the Emerson Literary Society, and both are on the soccer squad. Schoepflin is business manager of Hamilton **Life** for 1931-32, and Gross editor-in-chief.

George W. Elkins, '96, died after a year's illness last week at his home, 32 Hamilton Terrace, New York City. Mr. Elkins was senior member in the law firm of Elkins & Conklin of that city.

Mr. Elkins was born 58 years ago in Mexico, Oswego County, New York. He entered Hamilton with the Class of 1896, where he became a member of Delta Kappa Epsilon fraternity. He was a member of the New York City Bar Association, Mecca Temple, and the St. Andrews Golf Club.

Final Issue Of Lit Will Appear Today

The Commencement issue of the Hamilton Literary Magazine, the first under the direction of the recently elected editor, William Sloane, '32, is scheduled to appear on the Hill Saturday. The most important contribution is a paper on "Chaucer's Humor," written by the former editor of the Lit., Robert W. Cruser, '31.

Alumni will be interested in a feature of the Lit. in past years which the new board expect to resume next year. This is the section of Alumni Notes, wherein news of alumni activities will be collected compactly and in such a manner that they can be easily referred to.

Alumni who wish to subscribe to the Lit. for next year will find a coupon on another page. Comments and suggestions on the Lit. and alumni contributions may be sent to the editor, William Sloane, at Emerson Hall.

REUNION HELD BY SIGMA PHI

Starting with a dance at their house last night, members of the Beta Chapter of the Sigma Phi fraternity are celebrating their centennial reunion on the Hill this weekend.

Members of the fraternity and their friends spent the early part of today at the Yahnundasis Golf Club where the golf course and tennis coruts were at their disposal. At the luncheon, there, Harry C. Bates, '12, will serve as toastmaster. President Ferry will speak as a representative of the College. John W. Calder, '16, Alpha Delta Phi, will represent the other fraternities, a Sig sister will speak for the Sig families, and Fred B. Wright for Sigma Phi.

Late this afternoon there will be an initiation ceremony followed by a banquet at the Sigma Phi Place. The tosatmaster will be George H. Sicard, '04. Elihu Root, '64, will speak on "The Beta's First 50 years"; De Lancey W. Walkens, Alpha of N. Y., "Our Mother"; Robert B. Wilson '31, "The Active Chapter"; and Richard U. Sherman, '05. "The Beta's Second 50 Years".

ALPHA DELTS WIN MUSHBALL TITLE

Defeat Dekes, Runners-up For Second Time, In Long Game

Defeating Delta Kappa Epsilon, 6-5, on the soccer field May 30, Alpha Delta Phi won the annual interfraternity mushball championship and the cup which the Chi Psi's have donated again this year. The score of the final game was tied at the end of the ninth inning and the teams had to play seven more innings before Heyl drove a hit into the outfield to bring Hubbell in with the deciding run.

The Alpha Delts succeed the D. U.'s as champions. The D. U.'s also defeated the Dekes in the finals last year to win the cup.

Alpha Delta Phi was champion of League "A," the other members being Sigma Phi, Theta Delta Chi, Delta Upsilon and Decagon. The Alpha Delt's won two games in the league and lost none, and the Sig's, who were runners-up, won two and lost one.

The Dekes, who led League "B," also won three games and lost none. Emerson Literary Society had second place with two wins and two losses. Chi Psi and Psi Upsilon made up the remainder of the league.

To reach the finals the Dekes beat the Chi Bete's champions in League "C." Second in this group were the Teke's and the Lambda Chi's and Neutrals made up the other members.

This spring the track team retained its Conference title, and lost but one dual meet. Pritchard's 4:22.7 mile at Union was the outstanding individual performance, although Bellatty, Kingsley, and Rawson all showed promise to help form the nucleus of another strong team. On the diamond the Continentals were erratic, but a 2—0 win over Rochester, and a 2-1 ninth inning victory over Niagara showed the team at its best. Douglass did excellent work on the mound in both of these games. Both the tennis and golf teams have had mediocre seasons, although the latter won twice from Union.

A shave as Cool as a jilted girl, as comforting as the one and only!

GET to know Ingram's and you'll part forever from a razor's burning pinprick smarts!

For Ingram's is cool—*cool*—COOL—*COOL*. It's unique among all shaving creams!

Ingram's is a tonic in itself. It's a shaving cream, a lotion and a skin freshener all in one. With it, you can shave closer. And after you've put away your razor your face will feel soothed and refreshed!

Four things Ingram's does

Number One: It cools and tones your face while you shave.

Number Two: It keeps your skin in better shape to "take" the razor.

Number Three: It enables you to shave closer without discomfort.

Number Four: It gives a heavy lather that lies close and keeps wet underneath.

Don't fail now to try Ingram's. You'll never regret it. It's your best guarantee of a life-time of shaving comfort and luxury.
